For Denise,

As I am signing this on the day before your birthday I wish you two things. First, I hope you have a very happy birthday tomorrow. I'll be at the beach party and will do my best to share whatever joy I can bring to you on your special day. Second, I hope that you will have a fantastic junior year remembering the wonderful and not-so-wonderful things you've gone through as a sophomore. It's too late to change the past. All you can do is look ahead and ask yourself "Is what I am doing now taking me where I want to go?" If you can say from the heart "yes" – then keep on doing it because you know it must be right for you. If you answer to yourself "No" – then this is when you must make a decision – and it is all part of growing up into adulthood. I hope that when you make decisions, they be good, responsible decisions that will bring you much happiness and that this happiness you can share with those you love. Take care.

Love,
Greg Marcelo

SEND ME NO FLOWERS

For this year's fall play the World Famous Lincoln Art Players presented the hilarious comedy titled **Send Me No Flowers** directed and produced by talented Jack Edwards. The cast and crew worked diligently on the production and spent many long hours rehearsing. The show was a great success, and both actors and audience had a memorable evening.

You're A Good Man Charlie Brown

For this year's musical, the Lincoln High Music Department presented "You're A Good Man Charlie Brown." It's a musical version of a day in the life of Charlie Brown. Director of the show was Lori Coltrin, a Lincoln High graduate, and the music director was Karen Walden. The band was conducted by Ramiro Barrera. The cast, crew and the band worked hard and had a lot of fun in making this production a real success. The people in the cast were: Paige Baty, Robert Coltrin, Tony Espinosa, Bill Forsythe, Joann Mayeda and David Silvius. The crew included David Bonk, Carol Couch, Jim Jenks, John Mann and Sylvia Rettberg. We will look forward to next year's spring musical!

LIONS

In a tremendous display of strength, the Varsity Harrier Team upset last year's reigning cross country champs from Leland, and came away from this season with an 8-0 record in the S.T.A.L.

A big contributor to the varsity team was freshman Roy Gonzalez who was constantly improving and winning all season. Some of his wins include firsts at Alum Rock and Aptos invitationals.

Along with Roy Gonzalez the outstanding runners of this year were team captain Vic Hernandez, senior, Alan Welch, junior, and Alex Gonzalez, sophomore.

In addition to their superb league season, the varsity went on to take a 3rd place in the regionals, which was good enough for a spot in the race for the central coast section. Once there, the varsity did a great job and took 6th place.

The Frosh-Soph and J.V. teams, who for the most part ran their seasons as incomplete for the lack of team members, still had individual stand-outs.

For the Frosh-Soph, Juan Escobedo, freshman, had an excellent season and was one of the most improved on the entire team. On J.V.'s, Martin Serrano and Gilbert Rosales did very well and improved their records substantially. Also contributing heavily to the team was Val Montenegro.

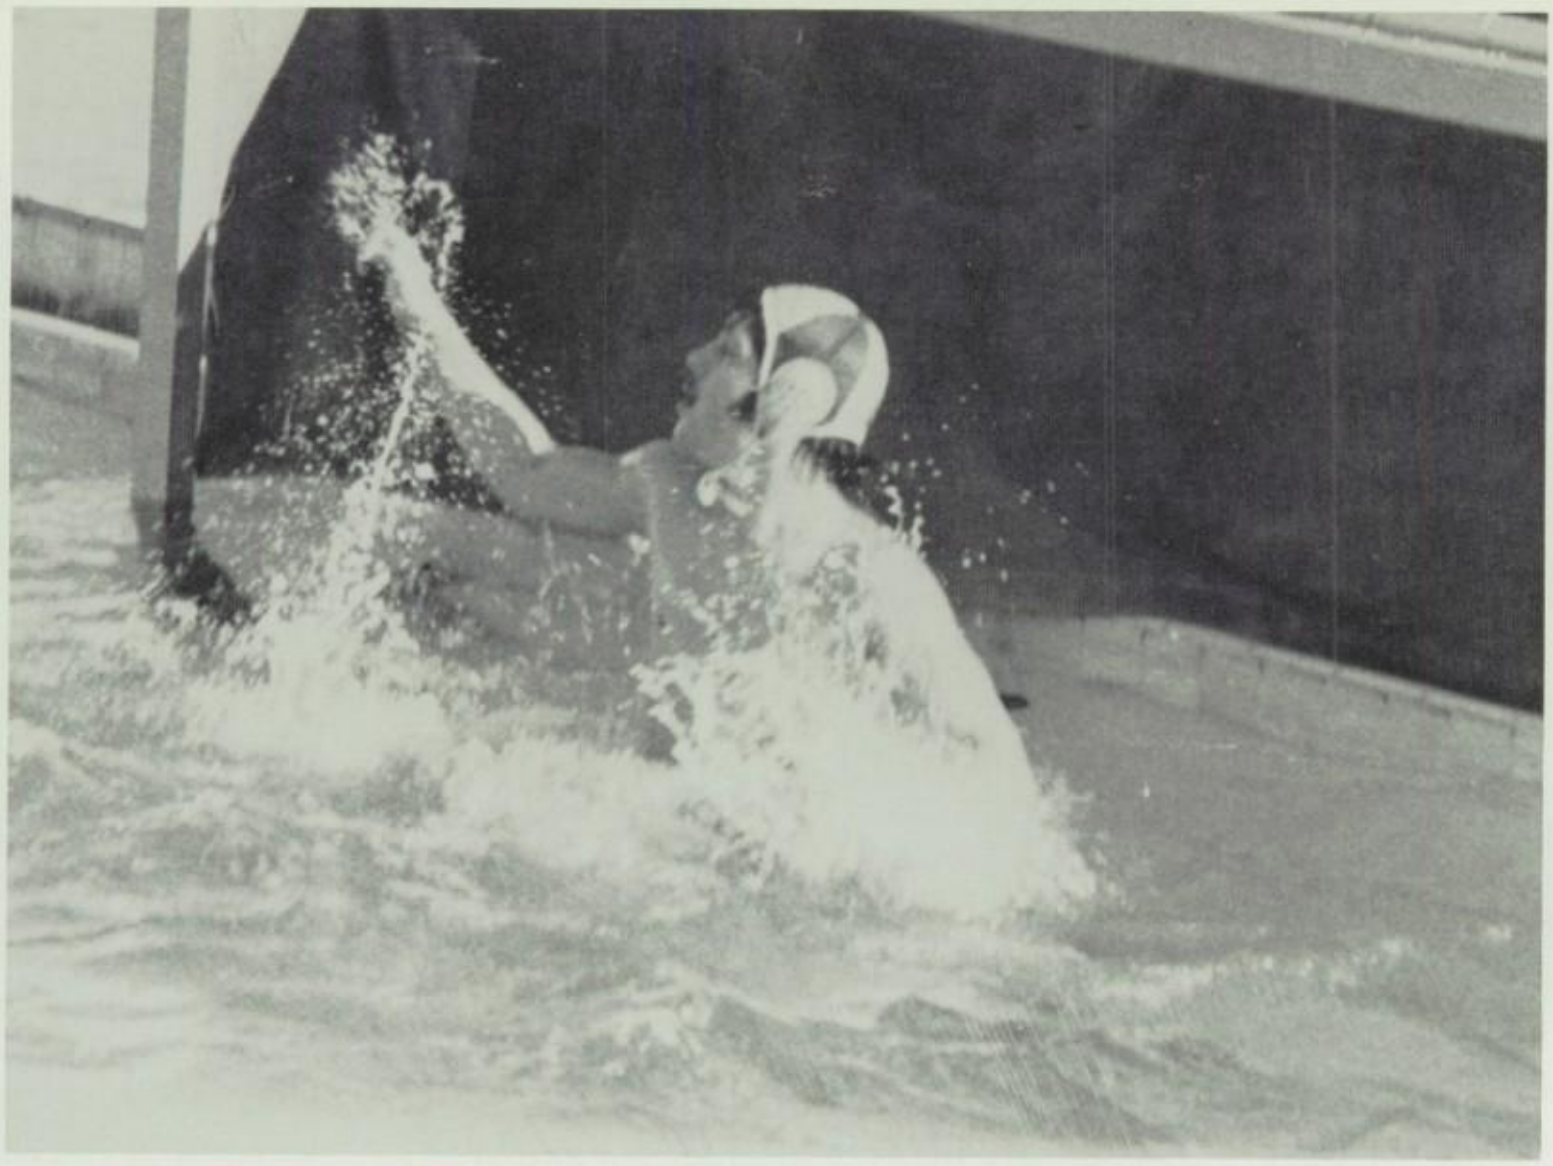
CHAMPIONS

The Lincoln Varsity Football team finished a championship season with a 7-3 overall record and a superb 6-1 league record. Highlighting the season were a stunning 14-13 upset over powerhouse Live Oak, and a sixth consecutive Big Bone Victory over San Jose, 44-15!!! Robbie Rocha was named the S.T.A.L. Most Valuable Player and was placed on the All-CCS 1st team as wide receiver. Rick Rebozzi set two school records from his quarterback spot and was named S.T.A.L. Most Valuable Back. Other outstanding players included Gil Pollock, Ron McGee, Wes Lyons and Lee Carbonero. Hearty congratulations to Dick Bondelie, Dave Doak, and Robert Monges.

THE BONE



This year's Varsity Waterpolo Team had what is best termed "a building season." With Hugo Borja our only senior, the majority of our team's power came from juniors. High scoring juniors, Rogelio Castillo and Tony Partida, sparked the Lions to their three victories while the determined defense of "Killer" Araki, John Skyberg, and Carlos Reatigui kept many of our games exciting. A superb season by junior goalie Paul Stark gives Lincoln great hope for a successful season next year.

Good Luck to the Seniors of '78 from your buddies

Looking down the river of life, a lot of things come your way. Maybe trout in summer, leaves cover it in fall, the icy stillness in winter, but like the promise of spring, we know, the best is yet to come.

AND THE COACH SAYS . . .

The Lincoln Varsity Basketball team had perhaps its best season ever this year posting a 26-4 overall record. Season highlights were winning the Atascadero Christmas Tournament, the S.T.A.L. Championship, the Region 3 Championship and going to Stanford University for the Central Coast Section Finals.

The Lions, under second year Coach Rich Freedman and assisted by Alan Tokunaga, got off to a slow start in the pre-season with a 4-2 record. One loss coming in the finals of the James Lick Tourney in overtime to St. Francis. Rick Rebozzi, Tony Marx and Terry Davis were named to the All-Tournament Team.

Lincoln got its scoring machine rolling at the Greyhound Classic Christmas Tournament in Atascadero. The Lions won three straight in capturing the Tournament Championship with a 64-53 victory over Arroyo Grande. Lance Ledesma came through with a great rebounding and defensive effort to make the All-Tourney Team and Tony Montelongo was voted the MVP on the basis of his great shooting and rebounding. The Lincoln team was housed by the people of Atascadero and had a great time on the trip. Much thanks goes to Assistant Coach Tim Woods and to the parents of Bruce Funk and Tony Marx for driving the players to the tournament.

The S.T.A.L. season then started with a convincing win over Leland as the Lions rolled to 14 straight league wins. One of the highlights of league play was the 104-69 trouncing of a fine Pioneer team at the Mustang gym.

All the Lincoln games were featured by their swarming full-court press, fast-break style and the use of their talented bench. The scoring was well dispersed with seven players sharing the playing time almost equally.

The tallest starter was 6'2 1/2" Junior Center Tony Marx who used his great shooting touch to lure other teams taller players away from the basket. Senior Pat Bramer was the back-up center and contributed greatly with his shooting and rebounding. The Forward positions were manned by Seniors Lance Ledesma and Tony Montelongo. Tony was a 3-year Varsity starter who awed the crowds with his great leaping ability and pictured perfect jump shots. Lance was a 2-year Varsity starter who was assigned the other team's leading scorer every game and did an outstanding job on the boards. Both players fit in well with the running type game and were well supported by Junior Carl Griffith who scored in virtually every game.

The starting guards for the 2nd year in a row were Seniors Rick Rebozzi and Robbie Rocha. Robbie was a 3-year Varisty starter who was well-known for his torrid shooting from the corners and his quick feet and great anticipation on defense. Rick was probably the greatest passer to ever play at Lincoln. He was the key to the fast-break offense, averaging 8 assists per game. Fans will remember this pair working together in the back-court for many seasons to come.

Senior Bruce Funk and Sophomore Terry Davis did it all this year. Sometimes starting, sometimes coming off the bench they always provided the spark when it was needed. Bruce played every position on the court, contributing points, rebounds, assists and steals - whatever was needed at the time. Terry was the leading scorer for the Lions on the season and certainly had the ability to put the ball in the basket. In his 2nd varsity season, he began to fulfill the promise he showed last year in his all around play.

Will Ashford and Ken Beach, both Juniors, rounded out the team. Will broke the 100 point barrier 3 times this year and brought the crowd to its feet. Ken, a mid-season transfer, shows promise in his 6'8" frame and should provide future thrills.

Rick Rebozzi was chosen the Most Valuable Player in the Santa Teresa League this year and was also named the 1st recipient of the Bob Hagen Memorial Award for defense and hustle. This award was named after the late coach at Gilroy and I'm sure Coach Hagen would be very pleased.

Tony Montelongo and Tony Marx were named to the 1st Team ALL-STAL. Montelongo for the 2nd time.

Bobbie Rocha, Lance Ledesma and Terry Davis were named to the 2nd Team as the Lions swept the awards as they swept through the season. Bruce Funk was Honorable Mention ALL-STAL.

In post-season play, Lincoln won the league play-offs to advance to the regions. They defeated Leigh High School in a close game and defeated Silver Creek, the #1 rated team in the CCS for the 2nd time 74-68 for the Region 3 Championship.

Lincoln then defeated Aptos High School 92-65 to open the CCS Finals in a game played at De Anza College. The Lions then moved to Stanford University and lost to Monta Vista and Riordan to finish 4th in the CCS Finals.

The dream of winning the CCS was over, but 4th out of 140 schools brings a lot of pride back to Lincoln High School.

LINCOLN WRESTLING 1977-1978

As a team, Lincoln did not have a championship season, but individually the wrestlers performed excellently. As a team we ended 4th in the league with a 4-3 record and 6-4 overall. Individual standouts were Mario Munoz, John Williams, and Kelvin Ronay, S.T.A.L. champions. Gilbert Pollock was second in league and placed in every tournament we entered. Mario Martinez, Mark Guardado, and Tony Meza placed 3rd in the S.T.A.L. Also Richard Ybarra placed 4th in S.T.A.L. In region III competition John Williams placed 2nd and Gilbert Pollock 4th and advanced to the C.C.S. Finals. Returning lettermen for the coming year are Michael Martinez, Richard Ybarra, Mario Munoz, John Williams, Mark Guardado, and Ramon Ferrales. These wrestlers will lead Lincoln to many victories and possibly the S.T.A.L. championship next year.

Our J.V. wrestling team was small but powerful this year. Outstanding individuals were Keith Gutierrez, Anthony "Rhine" Garcia, and Don Weston. These wrestlers are our future greats. I'm looking forward to having them on our Varsity wrestling team next year.

Coach Tokanaga led his team to an S.T.A.L. third place finish. The team was led by a number of all-stars including Kevin Seeger, Weldon Charles, Greg Villerreal, Rudy Chavez, and Eddie Pitta.

These men alone did not guide the team. John Low, Joe Wright, Allen Archambault, Jeff Williams, Chris Guzman and Ruben Castillo and Glenn Bramer were other starters, along with James Polanco who saw a lot of action on the court.

The team was big, and they worked as a unit and defeated many grueling teams. The team worked hard for their successes. Congratulations to both the team and also coach Alan Tokanaga for an impressive season!

MARCHING BAND

This year's Lincoln High Marching Band proved to be the most improved and successful to date. The band participated in three major competitions this year. The band captured a third place in the San Jose City College Band Competition, a third place in the Pleasenton Band Competition, and a fourth place in the Live Oak Band Competition. The Lincoln High Marching Band had its share of problems including broken bones and non-lighted practice fields. The whole band was held together by Drum Major Bill Christman, Color Guard Captain and Instructor Cindy Johnson, Band Manager Terry Ybarra, and Director Mr. Ramiro Barrera. The staff and band would like to thank all the people that helped them through its tough season.

a crazy girl that I like to party with (when he can), and do a lotta other things, (things that are mostly crazy). All I can say is that I had lots of fun these last few months, riding around and checking out the guys, and the schools and trying to party. And going to see you know who. I hope you enjoyed yourself. I know I did especially that car show. We've got to keep our eyes from looking at all those fine looking dudes. I hope we have more fun next year and stay in school more often. I hope you get what you want out of life and
